

TRI-TECH 3D
STANFORD MARSH GROUP

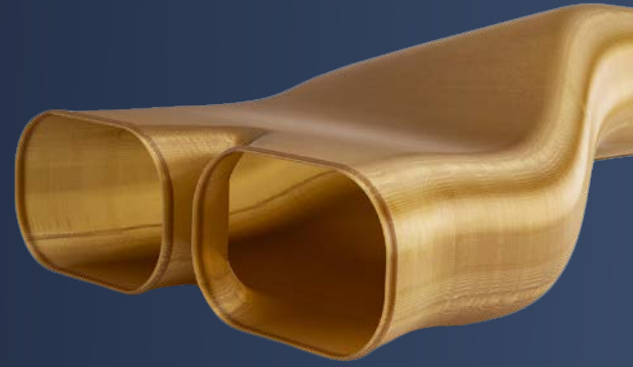

Supplying 3D printing systems that

challenge the
constraints of traditional
manufacturing

tritech3d.co.uk

UK's leading experts in 3D printing

tritech3d.co.uk

Innovative products

We offer the complete range of Stratasys Polyjet & FDM 3D printing technologies, as well as resellers for Desktop Metal systems. Serving a variety of different industries, which include Automotive, Aerospace, Animation, general Manufacturing and many more!

Comprehensive service

Tri-Tech 3D provide a comprehensive service from advice on initial specification and supply of 3D printing hardware, to on-site installation, staff training and on-going product support.

We have a dedicated engineering team, all passionate about 3D printing and fuelled by a technical challenge. Made up of a diverse group of individuals, each bringing strengths from their varying backgrounds, this is what makes us so successful and the trusted advisors for our customer base.
