ACOUSTAFFOAM

THE SOUND OF SILENCE

Our History

Acoustafaam was established in 1979. For over 40 years we have operated from our head office based in Telford, Shropshire but continue to provide our services nationwide. The company originated to provide acoustic cab insulation for tractors and off-road vehicles but through continuous growth we have invested in industry leading machinery, processes and materials to serve a multitude of industries.

What do we offer?

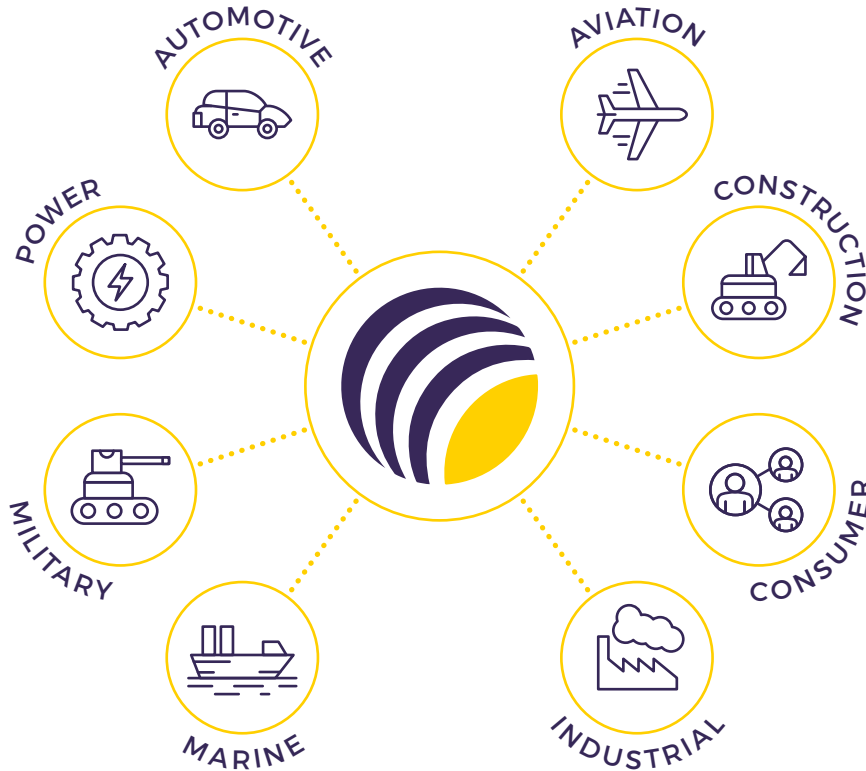

Here at Acoustafaam we offer an unparalleled service with our latest technologies and products. Whatever your requirements we have the expertise and technical experience to deliver bespoke and tailored outputs for all of your acoustic material needs.

Products & Processes

- ✓ Foam moulding
- ✓ Acoustic & thermo-acoustic insulation
- ✓ Seals & gaskets
- ✓ Insulation jackets
- ✓ Filter foams
- ✓ Thermo-formed insulation
- ✓ Acoustic barriers

Our Sectors

Acoustafaom works across a multitude of different sectors, whatever sector you are in we will likely be able to help. We do have particular specialities working in the following:

Our Approach

We have a bespoke and tailored service offering to accommodate all of your needs.

1

Initial Customer Contact

Customers can contact us directly via email or phone and speak directly with a sales representative who covers their local area with specific product knowledge.

2

Detailed tailored production

Our team will discuss all requirements needed for your product and detail materials / production methods ensuring the output is always fit for purpose.

3

Pre-production for bespoke requirements

Once you are satisfied with the specification agreed all requirements are sent to our pre-production team to begin the bespoke production process.

4

Manufacturing for custom products

All production is completed in-house with the latest technologies meaning we can ensure quality at all stages of manufacturing.

5

Final product inspection

Once all products are completed they are put through our rigorous and thorough inspection process to ensure they meet our quality standards.

6

Delivery of product

Upon a successful inspection products are dispatched to you accommodating any specific delivery requirements you may have.

Why choose us?

Acoustafaam Limited is a family run, privately owned company which runs exceptionally well due to its family approach. With a wealth of experience at the shop floor level as well as all management levels. We are very proud of the fact that 50% of the workforce has a minimum of 15/20 years' service.

The Acoustafaam Group

Acoustafaam is the father company to a wider group of companies. Together we have unparalleled expertise in producing the very latest bespoke acoustic products. Whatever your requirements are we have a service that will help.
