**ROCOL®**

## WHY ROCOL RTD?

RTD “doubles tool life” and in some cases can provide up to a 400% increased productivity compared to similar products\*.

Laboratory testing has shown that RTD offers up to 5 times more anti-wear protection than other products, extending tool life and improving surface finish ensuring the quality of the finished workpiece.

### RTD LIQUID

- ▶ Ultimate cutting performance on tough materials
- ▶ Ideal for deep hole drilling
- ▶ Flows to the cutting edge

Partcode **53072** Size **400g** / Partcode **53076** Size **5L** /  
Partcode **53078** Size **20L** / Partcode **53079** Size **200L**

### RTD SPRAY

- ▶ Superior cutting performance
- ▶ Ideal for use where accessibility is a problem
- ▶ Can be applied directly to moving parts
- ▶ Ideal for sawing & machining

Partcode **53011** Size **400ml**

### RTD COMPOUND

- ▶ Soft low melting-point paste
- ▶ Formulated to cling to the tool providing excellent cutting performance
- ▶ Extremely economical in use

Partcode **53020** Size **50g** / Partcode **53023** Size **500g** /  
Partcode **53026** Size **5kg** / Partcode **53028** Size **18kg**
