

STAUFF UK Mission

To offer innovative, practical solutions, for every customer, satisfying their individual needs.

Company vision:

To provide the inspiration and an environment, where our company values can be achieved through continual improvement, by all members of the team.

Our commitment to supply the best in safety critical products, is driven by our reputation.

The setting of objectives, highlighted by an annual review of policies (appropriate to the needs of the organization) gives us clarity to act in the most effective manner, being mindful of our environmental responsibilities and maintaining safe practices.
